

AMPC Awards for Excellence 2025 – Conditions of Entry

To enter the AMPC Processor Award categories (e.g. Environmental Performance, Workforce Innovation, Continuous Improvement, Innovation & Technology Leadership):

- Must be an AMPC member
- The research project or initiative must have been implemented in the last two years
- The research project or initiative must have been initiated or proposed by the AMPC member
- A representative of the AMPC member must attend the Awards Dinner at the AMPC Innovation Showcase 2025
- Applicants must submit a high-resolution headshot and company logo with the nomination.

To enter the AMPC Provider Award categories (e.g. R&D Excellence, R&D Collaboration):

- Must be a research provider with an AMPC project started or completed in the last three years
- Must be collaborating with an AMPC member
- A representative must attend the Awards Dinner at the AMPC Innovation Showcase 2025
- Applicants must submit a high-resolution headshot and company logo with the nomination.

To be eligible for the AMPC Innovation Manager of the Year Award:

- Must be an AMPC-funded Innovation Manager
- The Innovation Manager must attend the Awards Dinner at the AMPC Innovation Showcase 2025
- Short-listed Innovation Managers must submit a high-resolution headshot and company logo.

To be eligible for the AMPC Emerging Leader Award:

- Must be an AMPC member
- Nominations can be submitted by individuals or their colleagues
- The AMPC member must attend the Awards Dinner at the AMPC Innovation Showcase 2025
- A high-resolution headshot and company logo must be submitted with the nomination.

- AMPC reserves the right to use photographs and non-confidential details from entries for promotional and reporting purposes.
- Applications must be submitted by the closing date specified in the advertisement. Late nominations will not be accepted.
- All applications must be submitted as a Word document or PowerPoint presentation saved as a PDF.
- All submissions must be under 1000 words.
- Applicants will be judged against the published selection criteria for each award category.
- The Awards will be judged by a selection panel consisting of AMPC research and development managers.
- Only one winner per category will be awarded by the judges.
